Handwritten notes on the chart:

- A bracket on the right side of the chart spans from the 'Hexa' row down to the 'PCV 3' row, with the text "Fluoridation 80" written vertically next to it.
- Three dates, "12-2-18", are stamped in red circles on the chart: one in the 'Penta 2' cell, one in the 'OPV 2' cell, and one in the 'PCV 3' cell.
