I can confirm Gracie-Mai is a pupil at this school having started here on 13/09/2022.
Her current school attendance for this academic year to date is 98.27%

Gracie-Mai is a happy, smiley member of the class and she explores all areas of the Reception classroom. She has a few close friends who she usually talks to and plays with. Gracie - Mai has worked hard on her speech sound production and she is now able to talk in longer sentences and is using word endings to convey meaning.

During Phonics, Gracie-Mai can identify at least 10 digraphs and read some common exception words. When writing she is able to apply her phonic knowledge and write simple sentences and CVC words.

Gracie- Mai can recognise numbers to 10 and match them to the correct number of objects or pictures. She can also select the appropriate shapes she needs to build and create, manipulating and rotating them to make them fit. She is able to name 2D shapes. Gracie-Mai enjoys drawing, painting and hands-on experiences when exploring the natural world and talks happily about what she has found.

Yours faithfully
