## Form Tutor comment:

It has been a pleasure getting to know Maysa this year and I have really enjoyed being the form tutor of 7CUA. It has been a roller coaster of a year which has certainly ended in a much better place than it started. During this academic year Maysa has been a valued member of the form, who has continued to make good contributions to form activities. At the time of writing this report Maysa has an attendance of 94.6%, which is slightly below the school target of 95%. This is certainly a target to aim for over the next academic year as good attendance is linked to achievement. Maysa has been rewarded with 78 achievement points this year which demonstrates her commitment to her studies. I am pleased to report that 0 behaviour points have been given to Maysa. It has been a busy end to the year and Maysa should be congratulated for her efforts leading up to and during the end of year assessments. I wish Maysa a restful summer break and I look forward to our time together as 8CUA next year.
