	a. Welcoming Program b. Field Trip	81	B-

### B. DESCRIPTION

No.	Subject	Descriptive
1	Islamic Religious Education and Character	Mubarak believes in the existence of qadha and qadar, believes that tolerance and sympathy for others is a reflection of faith, carries out the obligation to tithe as an implementation of the understanding of the pillars of Islam.
2	Pancasila and Civic Education	Mubarak was quite capable of understanding material about Pancasila as the personality of the nation, Pancasila values, and the application of Pancasila in social life. However, in its application in daily life, it is necessary to develop how to apply each of the Pancasila precepts in the family, school and community environment.
3	Bahasa	Mubarak was able to determine the structure of explanatory texts and the types of speech texts. However, in determining the structure of historical story texts, guidance is still needed in learning.
4	Mathematics	Mubarak already understands enough about integer material, number operations only need to improve accuracy in working on problems.

5	Science	Mubarak quite understands the concept of the material being taught and needs to focus more on studying and doing the tasks given.
6	Social	Mubarak was able to understand the background and objectives of the founding of ASEAN, was able to understand the process of modernization, and was also quite capable of identifying Indonesian cooperation with ASEAN countries.
7	English	Mubarak has understood the lessons very well. He has understood possessive adjective and possessive pronouns. He is able to comprehend preposition and direction. He is able to ask the ability of someone and retell past experiences. He does all the tasks very well.
8	Art of Culture	Mubarak had sufficient knowledge of decorative arts, carvings, types of dance. However, Ananda still does not understand the origin of music and dance in Indonesia.
9	Physical Education	Mubarak has good skills in explaining the history, benefits, basic techniques of big ball and small ball game movements. Ananda's ability was also good in understanding floor exercises for strength and physical fitness.
10.	Environmental Education	Mubarak was able to understand population administration material, soil conditions and the fauna and flora of Balikpapan City well. However, they are still not thorough in working on the questions so they need guidance.

## C. EXTRACURRICULAR

No	Extracurricular	Index	Description
1.	English Club	B+	Mubarak has good skills in understanding the structure, purpose, and language rules of News Item reading texts.

## D. ATTENDANCE

Attendance		Record of Achievement
Presence	: 96,9 %	
Excused	: 1,8 %	
Sick	: 0 %	
Unexcused	: 1,3 %
